About Me

*Hey & Hello! My name is Muhamad Rafi Yulian,
i'm a Digital Marketing Enthusiast .*

I am an active student of the information systems study program at Nurul Fikri Integrated College of Technology Jakarta, class of 2021. Currently, I am taking part in the MSIB Batch 5 Program of the digital marketing academy at PT Nurul Fikri Cipta Inovasi. I am a learner with an adaptive personality, optimistic and inspiring, flexible in team, highly value social interaction, have a structured nature, meticulous and highly organized. Values clarity, certainty and completion, prefers order and planning over spontaneity. Highly interested in the field of business development and marketing. Looking for an excellent Digital Marketing position to start a professional career.
